

ACME Collision Repairs

Invoice for claims workflow guardrail test

Invoice Number: INV-DS-GUARD-001

Invoice Date: 2026-08-12

Customer: Jordan Example

Vehicle: 2021 Toyota Corolla

Repairer Name: ACME Collision Repairs

Invoice Amount: 2400.00

Repair Summary

Front bumper replacement and repaint after low-speed parking collision.

Parts, labour, paint matching, and calibration included.

This invoice is intentionally dated after the incident date to test deterministic guardrails.
